

**Christ the King**  
Catholic Primary School

# Early Years

## **From small acorns....**

Welcome to the Early Years Foundation Stage at Christ the King. We are proud to be a place where children flourish and grow in independence each and every day. We live out our school Mission Statement: We Love, Aspire and Serve with Christ our King. Our Curriculum offers challenge and investigation and helps all children in our care reach their potential.

## **Important Days**

PE will be every Thursday for ALL children in EYFS. Children must come to school wearing their PE kit and tracksuit on top.

## **AREAS OF LEARNING**

The seven areas of learning combine together to make up the skills, knowledge and experiences that children acquire as they grow, learn and develop. The Prime areas are: Personal, Social and Emotional Development, Physical Development and Communication and Language.

What do the areas of Learning look like at Christ the King?

## **Our 7 key areas of learning:**

personal, social and emotional development  
communication and language  
physical development  
literacy  
mathematics  
understanding the world  
expressive arts and design

In the Early Years Foundation Stage, we aim to create a place where children can explore, learn, be active, meet friends, be safe and be adventurous. Research shows that children learn best through structured play, with skilled adults to talk to, think with and learn from.

Here, at Christ the King School, we value each child as an individual and provide a balance of child initiated and adult led activities both indoors and
