

Can you use your sounds to read the  
real words and the alien words?

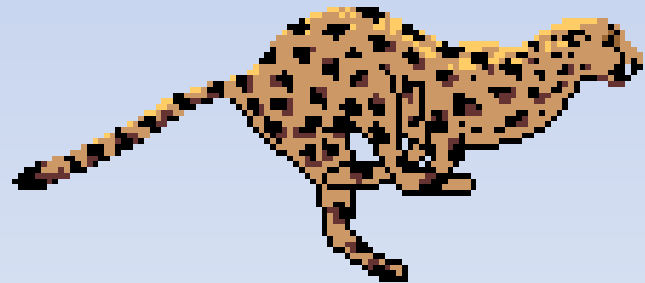

Can  
they  
read our  
names?

tank

A pixel art illustration of a sunset scene. The sky is a mix of orange, yellow, and blue. There are several trees with green foliage. A large, dark, winged creature is flying in the center of the image. The ground is a mix of green and brown. A blue speech bubble is in the top right corner.

We are the
