

## Our Values ...

Christ the King is a Catholic school which seeks to live out the values of **Jesus Christ**.

We promote these values by our words and deeds, and Catholic doctrine and practice therefore permeates every aspect of the school's activity. We provide a Catholic curriculum, which is broad and balanced, recognising that **every pupil is unique and is created in the image of God** (Gen 1:27).

Our curriculum is designed to enable every pupil to discern their vocation and to be well-equipped to follow it as **active citizens in service to the world**. Catholic Religious Education is the "core of the core curriculum" (Pope St John Paul II) and the foundation of the entire educational process. We also provide a wide range of extra-curricular activities and strong pastoral support. We incorporate **democratic principles**, value the **rule of law**, support **individual liberty** and foster a community in which **different faiths and beliefs are respected**.

The Gospel Values express what we value, teach and live as a community:

Compassion

Gentleness

Justice

Integrity

Simplicity

Humility

Love

Forgiveness

Hope

Preferential option for the lost and the least

## The Community of Christ the King Catholic Primary School

# Our Mission

**Feast of Christ the King: November 2017**

## *Our School exists to:*

- Assist in the Church's' mission of making Christ known to all people.
- Assist parents, who are the primary educators of their children, in the education and religious formation of their children.
- Be at the service of the local Church - the diocese, the parish and the Christian home.
- Be a service to society.

## *Our Mission statement...*

Our Mission statement was created by and is owned by the whole school community, reflecting our commitment to the Home, School, Parish partnership. It is the starting point for each policy, decision, meeting and action of our school community.

If our school was a stick of rock then these words would run right through it:

*'In Jesus we learn, grow and pray together'*

## *Aims of our School Community:*

### **To follow Jesus in sharing God's love for all creation.**

- To experience and reflect upon a sense of belonging to a wider world.
- To nurture a sense of love for God and neighbour.
- To work together to grow in faith.
- To be the face of Christ to all we meet.
- To enjoy praying and praising God.

### **To provide opportunities and experiences for all to reach their potential.**

- To recognise the uniqueness of all and their talents and the contribution they make.
- To provide an enjoyable, broad and inclusive curriculum.
- To foster the skills of resilience, creativity, problem solving and independence.
- To learn through listening, sharing ideas, trying our very best.
- To encourage all and to have faith and seek help when they are finding something difficult.

### **To understand our roles and responsibilities to ourselves and others in a diverse world.**

- To ensure all can be safe, healthy, self-disciplined and motivated to be good citizens and make a positive contribution.
- To have respect for all and an awareness of responsibilities towards the communities we are a part of.
