December 2022

## Rights Respecting Newsletter

Dear Families, what a wonderful end to this school year! Between Santa Dash, Christmas Jumper Days, Nativities and Carol Services. Everyone has worked extremely hard. It can also be a difficult time for some people so it is a good time to start thinking of others and what we can do to help each other out. So with that in mind:

**Merry Christmas and Happy New Year!**

Use your time off to begin thinking about new years resolutions that might help others.

## ARTICLE OF THE MONTH

For November we chose article 12 which states that 'every child has the right to express their views freely.' It is important our children know they have a voice and an opinion and they deserve to be heard.

For December we picked article 27 which is 'every child has the right to food, clothing and a safe home'. This may be something we take for granted and it is a good opportunity to remind children that not everyone is so lucky. At Christmas when everyone is in and out of the shops, it might be a good chance to donate to homeless shelters or food banks if you can. Show your children not everybody has the same lifestyle.

## Meeting Mondays!

## Our Steering Group

Over the past few weeks we have discussed the new articles of the month and also had a look at our previous months challenge which was to research people who stood up to discrimination. Well done to last months competition entries. These three superstars earnt a special prize!

## Challenge Time

This months challenge is to spend some time thinking about those people who don't have food, clothing or a safe home. This might come about by making donations to a food bank or even just by thinking about what you are grateful for. Take inspiration from Mr Delaney with his 3 good things. Find the joy in the small things!

Spread your thoughtfulness by tweeting @ctkliverpool with the hashtag #CTKRRS showing or telling us your 3 good things.
