Dear Ski Trip Families,

Ski Trip to Bormio 2023

We would like to gather your opinions following the recent ski trip to the Italian Alps.

The trip was a fantastic success. I would like to thank you for your support in ensuring that your child was perfectly equipped for the trip and for giving them the opportunity to make so many memories, many of which they will keep for the rest of their lives.

I would also like to take this opportunity to thank the children for their wonderful efforts during the week and also the staff from each school for making sure that the children had the best experience possible.

I have set up an email address for families to use to comment on their child's experiences from the trip. We will not be responding to any emails sent in but will use the information to continue to make the trip the wonderful experience that it is.

Thank you again for your support.
