Dear Families,

## School Meals 2023-2024

### Cost of a school meal from September 2023

The cost of a school meal has been £1.80 for more than ten years now and due to the increase in the cost of food and energy the difficult decision has been taken to increase this cost to **£2.00** per meal. This is still less than many schools in the local area and the Governors agree that it is still good value for money.

Meals need to be confirmed and paid for in advance – please do this on the app by Sunday evening. If you are having difficulty please speak to Ms Christopherson.

As food is ordered on a weekly basis your child's meal pattern should not alter. Two weeks' notice should be given and the school office (not the class teacher) should be informed of your intention to change via email.

Many people do not realise that they are entitled to help with covering the cost of school meals.

Further details can be found at <https://liverpool.gov.uk/benefits/free-school-meals/>
